Why Become a Member?

Our unique peer group offers ambitious entrepreneurs inspiration, knowledge and connections needed to be successful. Regularly coming together will help members to nurture and support one another, benefiting from peer-to-peer mentoring and through an exclusive series of workshops, networking nights where you can learn from successful business leaders, share experiences and make new connections to grow your business.

Benefits/Engagements

1. Business Networking Night once in every quarter

In today's fast paced business world networking is key to building your brand, and expanding your market. It is important for business owners to build and nurture new contacts and new partnerships, and most importantly increase market connect to meet the ever-growing competitive environment. A well staged Business Networking Night enables business growth and diversification by opening up new and relevant avenues and connectivities, knowledge and experience sharing brings about the much needed mutually beneficial prospects.

2. Workshops and Seminars once a month on the following aspects

- Legal
- Taxation
- Funding
- Government Initiatives and Policies
- ITR
- Accounting
- Information Technology
- Healthcare
- Manufacturing
- Hospitality
- Compliances and others

3. Magazine/Newsletter on success stories

A magazine/newsletter on entrepreneurship will be released quarterly highlighting the success stories of club members. This will be circulated to Bengal Chamber's Membership base and also to all networks of the chamber.

4. Other programmes depending on suggestions and need of the club members.
