# **The Bengal Chamber of Commerce and Industry is initiating a Workshop on Goods And Services Tax & its Impact on Exports in Durgapur on 13th June 2019.**

## **The Bengal Chamber**

The Bengal Chamber of Commerce and Industry was set up in 1853. However, the Chamber's origins date back to 1833 when its founding forefathers came together to form the first association of its kind in the country, which was later formalized as the Bengal Chamber. For the last one and a half centuries, the Chamber has been witness to the momentous events that have shaped India's industrial and social character. Donning its multiple roles as catalyst, initiator, facilitator, business partner and service provider, the Chamber has helped Governments, both at the Centre and State in crafting pioneering and significant legislations, including those on taxation.

Today, the Chamber is a preferred forum of discussions on issues related to taxation. We regularly organize Workshops/Seminars/Interactions on taxation subjects which are well attended by corporates and consultants.
