Mr. Abhijit Banerjee

President Designate, BCC&I &
Head of On-site, ASEAN & South Asia, Linde India Limited

Abhijit Banerjee has a wealth of experience and expertise of over 35 years in the manufacturing sector, encompassing various areas such as design engineering, project management, marketing, business development, and strategic account management. He joined Linde India Limited (previously known as BOC India Limited) in 2009 and has headed the company as its Managing Director till December 2025. He is now leading the company as Head of On-site, ASEAN & South Asia.

In addition to his professional career, Mr. Banerjee has also made significant contributions to industry organizations and associations. He is a member of the General Council of the Gas Industry Association and has served as its President for the period 2019-2021. During the Covid pandemic he was a member of CII's Task Force on the National Oxygen Action Plan. Currently, Mr. Banerjee is President Designate of the Bengal Chamber of Commerce & Industries.

Mr. Banerjee holds a bachelor's degree in chemical engineering from Indian Institute of Technology, Kharagpur and has undergone a Leadership Development program conducted by the prestigious Saïd Business School, University of Oxford.

Mr. Indrajeet Banerjee

Group Head & Associate Vice President – Marketing
Peerless Hospital, Kolkata

Mr. Indrajeet Banerjee holds an MBA in Marketing and Finance from Pune University, with advanced management exposure from the Indian Institute of Management.

With over two decades of leadership experience across East, South-East, and North-East India, along with international healthcare markets, he has played a pivotal role in driving strategic growth and institutional transformation.

Having contributed to leading healthcare institutions such as Apollo Hospitals, Medanta Hospital, and Kalinga Institute of Medical Sciences, he has consistently delivered results in institutional expansion, brand repositioning, and revenue acceleration.

Believes that healthcare marketing is not about promotion — it is about trust, governance, measurable impact, and sustainable community value. His leadership blends academic rigor with market intelligence, transforming strategy into resilient healthcare ecosystems.
