New Edge in Critical Care: Nursing

6th June, 2025

**WILLIAMSON MAGOR HALL
THE BENGAL CHAMBER OF COMMERCE
AND INDUSTRY**

Critical care nurses are highly specialized nurses who care for patients experiencing life-threatening medical conditions, play a crucial role and are responsible for monitoring and caring for patients who require constant attention and advanced medical treatment.

Critical care nursing is a challenging and rewarding profession that requires a unique set of skills and knowledge.

As healthcare evolves, to deliver the best possible care, it requires continuous learning with evolving medical practices adapting to changing patient populations in order to provide patients with the highest level of care.

The **"New Edge in Critical Care: Nursing"** refers to the innovative approaches, evolving practices, and advancements in the field of nursing within critical care settings.

Nursing Conclave 2025 will include discussions and deliberations on **"New Edge in Critical Care: Nursing"** like Technological Advancements, Enhanced Interdisciplinary Collaboration, Simulation-Based Training, Patient-Centered Care, Enhancing critical thinking and problem-solving skills and also Sharing of Best Practices.
