BCC&I in Bengaluru

BCC&I set its foot in India's Technology Capital –Bengaluru, curating "Tech-E Summit" focusing on "Unfolding the Momentum of Investors and Startups".

Tech-E (Technology Entrepreneurship) Summit is an annual programme of BCC&I, in tech capital Bengaluru, held every August. The endeavour was to curate a platform of bringing investors, incubators, Startups including unicorns, soonicorns, and senior IT Professionals together to highlight the prospects of the Startup Ecosystem in India.

The 3rd Edition of Tech-E Summit 2024 &2025 in Bengaluru featured a 2 day programme. The Day 1 of the programme featured **23 startups from across prominent incubation centers** of Kolkata, such as **Webel-BCC&I Tech Incubation Center, IIM Calcutta Innovation Park, IDEAS- TIH from ISI Kolkata and STPI Bengaluru. The startups had the opportunity to showcase their ventures to a panel of 9 investors and mentors from across New Delhi, Mumbai, Bengaluru, and Kolkata.** The programme also created a forum for Startups and Entrepreneurs from Bengal and Karnataka to discuss possible areas of collaborations and connect with the Investors.

BCC&I in Quizzing

Over the years BCC&I organises diverse quizzes.

-  **Technology Quiz**- It started in 2019 as open quiz for corporates, students and mixed corporate teams with the last 7 years being presented as "only for students" at college campus with the objective of enthusing students to take up quizzing.
-  **Heritage Quiz** – an annual event for the past three years on the occasion of World Heritage Week, for high school students to generate their interest in heritage of our country and the world.
-  **Marketing Quiz**- a quiz for marketing and branding fraternity.
-  **Health and Lifestyle Quiz**- an annual event held for the last 14 years, since 2018 it has been dedicated only for only doctors, nurses, medical students, paramedics and healthcare professionals honouring their contribution to our "Healthy Living".
-  **Olympics Quiz**- BCC&I, being a prominent and active association, organizing such vibrant, knowledge dissemination and engaging platforms across sectors, had taken this unique initiative. The Bengal Chamber would like to take this initiative forward, celebrating the Olympics every four years going forward.
