Coal and
Mining

Coal and Mining

India's largest coal trader and pioneer of mine developer concept in India. Ensuring energy security by assuring steady availability of coal, extracted in the most responsible ways, promising a constant supply of power to all geographies of India. India's largest bunker supplier with 50% market share, supported by a strong infrastructure set up at our ports.

Defence and Aerospace

Empowering **Indian military services** by creating a world-class defence and industrial ecosystem. Playing an instrumental role in enhancing India's defence and industrial capabilities.

Solar Manufacturing

Through **best-in-class module manufacturing capacity of 1.2 GW**, weaving the pathway to a greener world while contributing to the nation's journey of becoming self-reliant and healthier.

Agri Fresh

World-class packaging operations and storage facilities that pioneer the controlled atmosphere storage technology for apples from Himachal Pradesh, helping apple farmers create for themselves a flourishing livelihood.

Adani Wilmar

Catering to over 400 million consumers, one of the largest food companies in India contributing towards a healthier nation. The company's portfolio entails its flagship and much applauded cooking oil brand, Fortune.

Ports

Servicing 15% of the market share in Indian cargo/logistics with 10 domestic ports in six maritime states. The largest commercial port operator in India, bringing Indians closer to the world.

SEZ

Spanning across an area of 15,000 hectares, the Mundra Economic Hub is the gateway for Indian exports and imports. India's largest port based multi-product manufacturing zone.

Logistics

A subsidiary of APSEZ, is a pan India end-to-end logistics services provider – asset and service based – across Container, Bulk, Break-bulk, Chemical, Auto and Liquid industries.

Agri Logistics

With a storage capacity of 8,75,000 tonnes, ensuring food security for the country without compromising on securing the lives of our farmers. Pioneers in bulk handling, storage and transportation (distribution) of food grains.

Transmission

Operating more than 11000 circuit kms of transmission lines, the largest private sector power transmission companies in India. Ensuring unlimited availability of not just power but happiness and a sustainable living.

Electricity

Serving over 3 million Mumbaikars with 99.99% reliability, Mumbai's largest and the most efficient network spread over 400 sq kms of area meeting close to 2000MW of demand.

Power

Using power not just to **light up over 35 million homes** but to brighten their future. Adani's thermal power portfolio comprises 10,440 MW across four plants at Mundra, Tiroda, Kawai and Udipi, becoming India's largest private sector thermal power player.

Green Energy

Reducing carbon footprints with **4.6GW*** of renewable energy through solar and wind, lighting up **over 6 million homes**. Helping India's transition to renewable power generation.

*Total generation capacity of operational and under construction.

Gas

Distributing natural gas supply to over 6 million consumers with its strong network of over 8200 kms of pipeline. The largest private sector CGD player in India with significant growth opportunities and a promise to fuel the growing aspirations of the nation.

Capital

A non-banking financial company (NBFC) arm of Adani Group that aims to give every dream an opportunity by supporting medium and small enterprises through capital and industry best practices and easing the process of home loans.

Housing Finance

Incorporated in 2017 with an aim to hold a pioneering role in furthering the national objective of 'Housing for All'. Customising financing solutions to customers in the affordable housing segment and simplifying the lending process for all.

Realty

Delivering residential, commercial and social club projects of **over 16.5 million sq. ft** space to revolutionise real estate and lifestyles of **over 6000 families**. Integrating the finest design aesthetics with cutting edge construction technology.
